Description

The brushed brass door handle with condemn ball model PP07 combines functionality and aesthetics in a minimalist design ideal for secure bathroom door closure. Its spherical shape with condemn allows easy handling both from the inside and outside, facilitating safe locking and unlocking. Made of brass with a polished finish, it offers durability and resistance to wear.

Technical Specifications

- Width: 35 mm
- Shape: Ball with Condemn
- Material: Brass
- Finish: Polished Brass

This handle is designed for standard doors between 35 and 45 mm wide, as well as door handles of 60 to 70 mm. It includes an interior thumbturn that allows exterior security locking and unlocking, ensuring safe use in indoor environments.

Installation is simple and straightforward, compatible with conventional doors without the need for structural modifications. Its modern design makes it suitable for spaces where both functionality and refined finishing are required. Ideal for use in bathrooms, offices or controlled access areas.

Specifications

EAN	8431488111551
