Description

Standard storage hook in galvanized steel with protective rubber tip, designed to securely fasten heavy objects on shelf and rack systems. Its robust construction allows a maximum load of 60 kg, making it suitable for industrial or commercial environments requiring efficient vertical storage.

Technical Specifications

- Diameter: 13 mm
- Width: 8 cm
- Height: 13 cm
- Depth: 11 cm
- Material: Steel
- Maximum Load Capacity: 60 kg

The rubber tip prevents damage to adjacent surfaces during installation, ensuring a smooth and safe contact. Its simple design allows for easy placement without the need for special tools.

This hook is recommended for use in shelves or storage systems where heavy loads need to be supported with stability. It is especially useful in warehouses, stores, and logistics centers to optimize vertical space safely and effectively.

Specifications

High	1.3
Diameter	13 mm
EAN	3234640030173
Manufacturer	MOTTEZ
Material	Steel
Measures	1.3 x 8 x 11
Weight (kg)	60
