Description

Storage hook with protective cover designed for safe suspension of equipment and materials in industrial environments. Its robust construction ensures resistance and stability under intensive use conditions, making it suitable for applications requiring reliable fixed support.

Technical Specifications

- Diameter: 28 mm
- Height: 2.8 dm
- Width: 26 cm
- Depth: 22 cm
- Maximum Load Capacity: 50 kg

Its protective cover guards the material from environmental damage, preventing harm caused by impacts or contaminants. The ergonomic and durable design allows for easy installation thanks to its precise specifications and compatibility with standard mounting systems.

It is recommended for use in spaces where secure support for heavy equipment or organized vertical storage is needed. It facilitates efficient space management and improves safety in industrial environments.

Specifications

High	2.8
Diameter	28 mm
EAN	3234640211992
Manufacturer	MOTTEZ
Measures	2.8 x 26 x 22
Weight (kg)	50
