Description

Rectangular interior box with black design and fitting, specifically designed for electrical installations in indoor environments. Its construction from durable material and the presence of a fitting facilitate its mounting and stability during use. This solution allows efficient cable organization while maintaining a clean and functional appearance.

Technical Specifications

- Dimensions: 80 x 20 mm
- Height: 8 cm
- Width: 2 cm
- Color: Black

Its design allows for easy installation and compatibility with various wiring systems. It is suitable for use in commercial, residential or industrial buildings where safe access to cable conduits is required.

Installation is simple thanks to its robust construction and the presence of the fitting that ensures a secure mount. It is recommended for use in controlled environments, avoiding direct exposure to climatic elements or extreme conditions.

Specifications

EAN	8425998873863
Manufacturer	NULL
Measures	8 x 2
