Description

High visibility vest class 2, compliant with ISO 13688 and ISO 20471 standards. Made from 100% polyester, it offers durability and resistance. Designed to improve safety in low-light environments thanks to two horizontal retroreflective bands on the torso.

Technical Features

- Size: S
- Material: 100% polyester
- Retroreflective strips: 2, horizontal around the torso
- Closure: front velcro
- Compliance standards: ISO 13688 and ISO 20471 class 2

Its ergonomic design allows for comfortable mobility without compromising protection. It is especially useful for construction sector professionals, emergency services, and workers who require visibility in low-light conditions.

It is recommended to wash in a machine following manufacturer instructions to preserve its reflective properties. Its fit adapts to size S, making it suitable for daily use in demanding work environments.
