Description

High visibility orange fluorescent vest designed to maximize safety in environments where quick and visible identification is required. Made from 100% polyester fabric, it offers durability and comfort in low-light conditions. Complies with international standards ISO 13688 and ISO 20471 class 2, ensuring its effectiveness in industrial and work environments.

Technical Features

- Color: Orange Fluorescent
- Materials: 100% Polyester
- Design: 2 horizontal retroreflective bands around the torso
- Closure: Front zipper
- Size: M
- Compliance Standards: ISO 13688 and ISO 20471 class 2

Its modular design makes it suitable for use in construction sites, emergency services, and industrial environments where constant visual protection is required. The combination of bright color and reflectivity ensures easy identification of the worker from a distance.

It is recommended for use in low-light environments or work conditions that require compliance with road safety regulations. Its installation is simple thanks to the zipper closure, allowing quick and comfortable adjustment over undergarments.

Specifications

Colour	Orange
EAN	8423752118823
Manufacturer	MARCA
