Description

High visibility softshell vest designed for professionals who require visual protection in industrial and outdoor environments. Made from 100% polyester fabric coated with TPU, it offers excellent resistance, comfort, and reflectivity. Complies with EN 20471 standards, ensuring a high level of safety under low-light conditions.

Technical Features

- Color: Yellow Fluorescent
- Size: M
- Material: 100% Polyester with TPU
- Bands: 2 Segmented Bands
- Standard: EN 20471

Its design allows efficient use in outdoor work such as construction, infrastructure maintenance, or emergency services. The combination of material and reflectivity ensures outstanding visibility during both day and night.

It is recommended to wash in a machine following the manufacturer's instructions. Store in a dry and ventilated place, avoiding contact with chemicals that could affect its performance or structure.

Specifications

Colour	Yellow
