Description

Microfiber window cleaner with ergonomic handle designed for effective cleaning of glass surfaces without leaving streaks. Its high-quality material construction ensures durability and comfort during prolonged use, facilitating access to tight and hard-to-reach areas.

Technical Specifications

- Dimensions: 14 x 39.5 x 2.8 cm
- Height: 14 cm
- Width: 39.5 cm
- Depth: 2.8 cm

Its design allows precise cleaning on windshields, windows and other glass surfaces, being especially useful for maintaining sensitive surfaces. It is suitable for both interior and exterior use.

It is recommended for use in domestic and professional environments to keep glass surfaces free of dirt and fingerprints. Its easy maintenance and resistance make it an essential tool for daily care of the environment.
