Description

Padding designed for safe transport and storage of rifles. It features an integrated black/red sight that allows you to view the weapon without opening the case, facilitating its handling. The durable material ensures protection against impacts and scratches during use.

Technical Specifications

- Length: 120 cm
- Measurements: 120 cm

Its design includes side handles and an adjustable strap for easy transport. It is suitable for use in environments where mobility and security are required during weapon handling.

The installation is simple thanks to its ergonomic structure and secure zipper closure. It can be comfortably transported using the handles or the adjustable strap, adapting to different usage needs.
