Description

Permanent Markerpen carbon ink marker, designed for industrial and commercial applications with clear and durable writing. Its water-resistant and UV light resistant formula allows its use in both indoor and outdoor environments. The fine tip offers precision in marking, while its 10 ml capacity guarantees extended performance.

Technical Features

- Capacity: 10 ml
- Color: Black

Its ergonomic design facilitates handling over prolonged periods, and its durable tip allows precise writing on multiple surfaces such as wood, metal, plastic and glass. It is suitable for professional or educational use where permanent and visible marking is required.

It is recommended for use in laboratories, offices, workshops or educational spaces to mark surfaces with durable strokes. Its easy application makes it a versatile tool for various industrial and commercial applications.
