Description

The kitchen scissors with integrated cutting board is a multifunctional tool designed to facilitate food preparation in the kitchen. It combines the functions of a knife and scissors, allowing precise and clean cuts without needing to switch between tools. Its practical design includes a stainless steel blade and an ergonomic handle for better control during use.

Technical specifications

- Material: Stainless Steel
- Approximate total length: 18 cm
- Knife width: 5 cm
- Integrated board height: 2.5 cm

Its sturdy construction ensures long-lasting durability, making it suitable for both home and professional use. The integrated cutting board allows you to make cuts directly on the tool, eliminating the need for additional surfaces.

We recommend keeping the blade sharp and cleaning the product after use to preserve its performance. Its compact design makes it easy to store in small spaces.

Specifications

EAN	8435527812881
Material	Acero inoxidable
