Bright Red Signal Candle Number 9

Brand: IBILI

Reference: EDM 56524

Bright red signal candle number 9 for emergency signaling with low-consumption LED lighting and reflective material, designed for high visibility in low-light conditions.

[View product online](#)

Description

High-visibility visual signaling device, designed for safety and emergency applications. It uses low-consumption LED technology that guarantees intense and durable illumination in low-light conditions. Its bright red color and reflective material ensure easy identification from great distances.

Technical Features

- Color: Bright Red
- Model Number: 9

Its robust construction allows its use in harsh environments, maintaining effective signaling even under low-visibility conditions. It is especially useful for alert and emergency signals in industrial or public spaces.

It can be easily installed on flat surfaces or mounted on specific supports, facilitating its implementation in various safety environments. Its compact design optimizes space usage without compromising the visual effectiveness of the product.

Specifications

Colour	Red
EAN	8411922455762
