Description

Adjustable padded shoulder strap designed for professionals who require comfort and durability when transporting heavy tools and equipment. Its construction using high-quality fabric, padded foam and steel hardware ensures optimal performance under demanding conditions. The ergonomic design distributes weight evenly, minimizing fatigue during long workdays.

Technical Specifications

- Materials: High-quality fabric, padded foam and steel hardware
- Design: Distributed padding for greater comfort
- Adjustment: Adjustable to fit different sizes
- Compatibility: Designed for ToughBuilt bags and Cliptech tool carriers

Its use is ideal in intensive work environments where mobility and continuous support are required. It facilitates the transport of heavy loads without compromising user comfort.

The strap can be easily placed over the shoulder and adjusted according to the user's needs, allowing for comfortable and safe adaptation during prolonged use.

Specifications

EAN	1210001300101
