Description

The wall hook for bicycle with pedal support offers an efficient and safe solution for storing the bicycle vertically, optimizing space in garages, living rooms, or bathrooms. Its design allows hanging by the pedal, maintaining vehicle balance while facilitating organization.

Technical Features

- Maximum weight capacity: 20 kg
- Material: Galvanized Steel
- Color: Gray
- Hook width: 15 cm

Built with durable materials, it ensures a safe and long-lasting installation. It is especially useful for users who need a practical storage system without compromising the stability of the bicycle.

It is recommended to install it on solid surfaces such as wood or metal, avoiding drywall or fragile materials. Installation is simple and requires only a few screws and a drill to securely mount the support to the wall.
