Description

Work LED COB flashlight designed for professional applications that require powerful and reliable lighting. Uses COB LED technology with a power of 2 watts and a luminous output of 100 lumens, ideal for tasks in dark or outdoor environments. Its compact and durable design allows practical use in various workplace settings.

Technical specifications

- Power: 2 W
- Lumens: 100 lm
- Battery type: AAA (3 units)
- Main material: ABS
- Secondary material: PS
- Total height: 30 mm
- Length: 120 mm
- Illumination distance: 5 meters
- IP: 20
- Lamp type: LED COB
- Operating modes: On / On - Off
- Light color: Cold (cold)
- Included: Magnetic base and 180° swivel stand

Its construction from durable materials ensures longevity in demanding environments. It is especially

useful for work in confined spaces, industrial maintenance or outdoor activities where constant and precise lighting is required.

The simple on/off switch allows intuitive handling, while the magnetic base facilitates installation on metal surfaces without the need for additional tools. Its ergonomic and functional design optimizes use under dynamic working conditions.

Specifications

EAN	8433373095151
Lumens (lm)	100
Measures	120_MILLIMETER
Type of lamp	LED
