Pack 4 Fly Trap Strips 100 cm²

Brand: NOVAR

Reference: GSC 403035009

Pack of 4 fly trap strips for indoor and outdoor fly control. Each strip with a capture area of ~100 cm² contains an attractive pheromone. Ideal for restaurants, warehouses, and high-traffic areas.

[View product online](#)**Description**

The Pack 4 Fly Trap Strips offers an effective and eco-friendly solution for controlling flying flies in both indoor and outdoor spaces. It uses adhesive technology that captures insects upon contact with the treated surface, without the need for chemicals or electric devices. Each strip provides a capture area of approximately 100 cm² and contains a pheromone-like attractive substance that enhances its effectiveness.

Technical Features

- Content: 4 fly trap strips
- Usage: Indoor and outdoor
- Pest Type: Flies

Its simple design allows for quick installation on any flat surface, making it ideal for kitchens, warehouses, restaurants, or high-traffic areas. It is especially useful in commercial and residential spaces where constant pest control is required without resorting to chemical methods.

It is recommended to replace the strips every 30 days to maintain optimal effectiveness. The ease of installation and replacement makes this product ideal for continuous use in environments where hygiene and insect control are priorities.
