Description

Multi-position shower bracket made of ABS material with chrome finish and progressive closure system. Designed to offer comfort and durability in modern installations, it allows adjusting the tilt angle for a personalized experience during use. Its ABS construction ensures resistance and ease of maintenance, while its chrome finish adds an elegant look to the bathroom.

Technical Features

- Material: ABS
- Main Color: Chrome
- Closure Type: Progressive
- Packing: Hanging Bag

The versatility of the bracket allows functional and aesthetic customization according to user needs. Its modular design facilitates adaptation to different types of showers and bathroom spaces.

Installation is simple thanks to the built-in fixing system that does not require specialized tools, allowing quick placement in various environments. It provides comfortable use for both adults and children, improving the overall bathroom experience.
