Description

Square liming of 200 mm manufactured in CRV 60 vanadium chrome steel with gray and blue finish, designed for precise sanding in carpentry, mechanics and finishing work. Its robust construction allows uniform wear and comfortable handling during the sanding process.

Technical specifications

- Dimensions: 200 mm x 200 mm x 200 mm
- Main material: Vanadium Chrome (CRV 60)
- Blade length: 200 mm
- Main color: Gray
- Secondary color: Blue
- Packing: Cardboard with hanger

Its usual use includes fine sanding, surface polishing and material preparation before varnishing or painting. It is suitable for artisanal and professional work where precision in finishing is required.

It is recommended to keep it clean after each use to extend its useful life, storing it in a dry place protected from humid environments.

Specifications

Width	200 mm
Colour	Grey
EAN	8433373094598
Length	200 mm
Material	Cromo vanadio (CRV 60)
Measures	200 mm x 200 mm x 200 mm
Weight (kg)	0.17
