R-Type Pin Blister 10 Units

Brand: COFAN

Reference: COF 00210003A

R-type pin blister with 10 units, dimensions 5.00 x 10.00 x 30.00 cm. Net weight: 0.572 kg. Split pin design for secure and efficient mechanical fastening in industrial and electronic applications.

Description

Fastening pin of split pin type in blister pack with 10 units, designed for industrial and electronic assemblies. Its robust construction ensures safe and efficient fixation in demanding technical environments. The product is compatible with control panels and structures requiring resistant mechanical support.

Technical Features

- Height: 5.00 cm
- Width: 10.00 cm
- Depth: 30.00 cm
- Net weight: 0.572 kg

Its installation is simple and quick, facilitating its use in assemblies requiring precise mechanical fastening. It is especially useful in applications that require structural stability without complicating the assembly process.

The blister format allows organized storage and safe transport of the set, maintaining product integrity during use. Its design is intended for normal operating conditions, offering durability and consistent performance in industrial environments.

Specifications

High	5.00
Width	10.00
EAN	8445187023916
Weight (kg)	0,572
