Description

BL 2 UDS SPLIT PIN R M-4 fixing pin, designed for industrial and electronic applications. Its construction from resistant material allows safe and durable installation, facilitating assembly on production lines. This product offers precise fit and adequate mechanical resistance for stable connections.

Technical specifications

- Height: 5.00 cm
- Width: 10.00 cm
- Depth: 30.00 cm
- Weight per unit: 0.745 kg

Its design allows easy insertion into various materials, optimizing the assembly process without requiring special tools. It is especially useful in systems where mechanical stability and dimensional accuracy are required.

The installation is quick and straightforward, speeding up assembly times in industrial environments. It is recommended to verify dimensions before use to ensure compatibility with the component or structure to be fixed.
