Description

Multi-function pliers in chrome vanadium steel, designed for electrical and maintenance applications with insulation up to 1000 V. Their robust construction ensures durability and optimal performance even under intensive conditions. They incorporate a wide range of functions: gripping with smooth and serrated surfaces, crimping for terminals of 0.5-2.5 mm², cable stripping for sections of 0.7-1.5 mm² and 2.5 mm², cable cutting and defined edge for deburring. With total measurements of 200 mm, their slim design allows access to tight spaces.

Technical specifications

- Material: Steel
- Measurements: 200 mm
- Height: 3.00 cm
- Width: 8.00 cm
- Depth: 23.00 cm
- Weight: 0.226 kg

Their invisible spring system improves ergonomics and efficiency during prolonged use. They are ideal for electricians, installers and maintenance professionals who require a safe and versatile tool in electrical environments.

Recommended for electrical installation work, cable repair and preventive maintenance. Their

ergonomic design allows comfortable handling even during extended tasks, facilitating work under demanding conditions.

Specifications

High	3.00
Width	8.00
EAN	8445187471441
Material	Steel
Measures	200 mm
Weight (kg)	0,226
Depth	23.00
