Description

The dog accessory pack is a practical and complete solution for the daily care, walking, and training of your pet. Designed with durable materials and functionality in mind, it includes a 5-meter extendable leash with an automatic retraction system and ergonomic handle that allows safe control during outdoor exercise. Additionally, it features a double-sided brush for coat maintenance, ideal for removing tangles without damaging the skin or causing discomfort.

Technical Specifications

- Dimensions: Height 22.00 cm, Width 31.00 cm, Depth 41.00 cm
- Net weight: 1.728 kg

Its comprehensive design facilitates use in urban or rural environments, allowing greater freedom of movement for the dog and comfort when operating with the leash. The double-sided brush improves blood circulation in the coat and helps keep it clean and soft during daily routines.

Installation is immediate: simply unpack the items to start using them. The ergonomics of its components ensure comfortable handling for both owner and pet, optimizing the experience during walks and training sessions.
