Description

Compact and modern spherical LED bulb with E27 thread, ideal for residential and professional lighting. It provides a light output of 806 lumens with a power consumption of 6.5 W, equivalent to a 60 W incandescent bulb, reducing energy consumption by up to 90%. Its color temperature of 6500 K delivers cold white light suitable for spaces requiring visual clarity.

Technical Specifications

- Power: 6.5 W
- Lumens: 806 lm
- Base: E27
- Color Temperature: 6500 K
- Dimensions (cm): 4.5 x 4.5 x 11.5

Its 180° opening angle ensures uniform light distribution without shadows, making it suitable for both decorative and functional applications. The bulb incorporates 14 internal LEDs with an estimated lifespan of up to 15,000 hours, ensuring durability and low maintenance.

It installs easily in standard lighting fixtures thanks to its E27 thread, being compatible with most existing installations. It is ideal for environments where efficient, stable, and high-quality visual lighting is required.

Specifications

High	11.50
Width	4.50
Cap	E27 - rosca ancha
Energy classification	F
EAN	8445187466133
Depth	4.50
