Description

Drain plug with 25 cm chain for sink, designed for secure manual closure in domestic or commercial installations. Made of black PVC resistant, it offers durability and ease of maintenance. Its structure includes a stainless steel chain with two rings that facilitate handling without risk of loss during daily use.

Technical specifications

- Outer diameter: Ø52 mm
- Inner diameter: Ø42 mm
- Plug height: 15 mm
- Total dimensions: Ø52 mm x Ø42 mm x 15 mm
- Weight: 0.022 kg
- Stainless steel chain with two rings
- Chain length: 25 cm

Its installation is simple and direct, easily fitting standard drains without the need for additional tools. It is suitable for sinks and bathtubs where a secure and accessible closure is required. The chain allows easy opening and closing of the plug, while the rings prevent it from being lost during daily use.

This type of plug offers efficient operation under normal usage conditions. Its compact design makes it compatible with most conventional drains, ensuring fast and reliable drainage in domestic or commercial environments.
