Description

Threaded-smooth PVC adapter with a diameter of 40 mm, designed to facilitate transitions in sanitary drainage systems. This component allows connecting curved traps with smooth pipes of the same caliber, ensuring a safe and efficient installation in both domestic and industrial applications. Its construction from PVC provides durability and chemical resistance against common cleaning products.

Technical specifications

- Mouth diameter: 40 mm
- Measurements: 2 x 40 cm
- Material: PVC
- Height: 5.00 cm
- Width: 7.00 cm
- Depth: 7.00 cm
- Weight: 0.038 kg

Its design allows for smooth transitions in sinks, washbasins and other sanitary system elements. It is compatible with various types of standard traps, making it versatile for multiple installations.

The installation is quick and simple without the need for additional tools, facilitating its use in maintenance work or new projects. Ideal for connections in wastewater evacuation systems where a transition between different pipe types is required.

Specifications

Width	40
Diameter	40 mm
EAN	8445187488562
Material	PVC
Measures	2 x 40
Weight (kg)	0,038
Depth	7.00
