Product sheet

Plug Eco Mod6 retractable with pull ring 16A 230V white

Brand: FABRILAMP

Reference: FAB 260006101

Retractable bipolar plug 2p+E with pull ring, white color. Maximum capacity 16A, 230V, 3680W. Dimensions 4.5x3.5x10 cm. Compact and durable design for electrical installations.

Description

Retractable bipolar plug 2p+E with pull ring, white color. Designed for residential and industrial electrical installations, it provides a safe and accessible connection. With a maximum capacity of 16 amperes and 230 volts, it is suitable for equipment requiring electrical stability. Its construction from high-quality materials ensures durability and sustained performance.

Technical specifications

- Connection: 2 pin + earth (bipolar)
- Maximum capacity: 16 A
- Nominal voltage: 230 V
- Maximum power: 3680 W
- Dimensions: 4.5 x 3.5 x 10 cm
- Color: White
- Includes pull ring for easy disconnection

Its compact and durable design allows its use in various environments where a secure electrical connection is required. It facilitates disconnection without the need for additional tools, improving accessibility during maintenance.

The installation is straightforward and simple, connecting directly to the power outlet without requiring special tools. It is recommended for use in low humidity environments to maintain long-term efficiency.

Specifications

High	4.5
Rated current (A)	16
Colour	White
EAN	8435684364643
Manufacturer	FABRILAMP
Long	4,5x3,5x10 cm
Material	Policarbonato
Measures	4.5 x 3.5 x 10
Weight (kg)	0.35
Power (W)	3680
Nominal voltage (V)	230V
