Description

Electric bread toaster with double long slot and fast toasting technology. Designed for family or commercial use, it offers efficient performance thanks to its 1400 watt power. Made with durable materials such as stainless steel and polycarbonate, it combines functionality with a modern and elegant design.

Technical Specifications

- Power: 1400 watts
- Toasting Levels: 7
- Dimensions: 17 x 38 x 14.5 cm
- Connection: Standard electrical outlet
- Functions: Toasting, defrosting, reheating and auto shut-off
- Integrated crumb tray
- Automatic bread centering
- Non-slip legs

Its operation ensures uniform and fast toasting, avoiding over-toasting thanks to the auto shut-off function. It is especially useful for those who value comfort without sacrificing quality in their daily routine.

The compact design facilitates storage, while the crumb tray and base cable collector simplify cleaning after use. Installation is simple: just place it on a flat surface and connect it to an electrical outlet.
