Description

Vertical PTC ceramic heater with flame effect, designed to efficiently heat small and medium-sized spaces. Combines fast and uniform heating thanks to its ceramic technology, making it its modern blue/black design measures 78 x 25 x 25 cm and easily adapts to any environment.

Technical Specifications

- Power: 2000 W (adjustable between 1000 W and 2000 W)
- Dimensions: 78 x 25 x 25 cm
- Material: ABS and polycarbonate
- Features: fan, heating, flame effect
- Safety System: anti-tip, overheating protection
- Remote control included with timer (1-12 hours)
- Full oscillation for uniform air distribution

Provides warmth without excessive noise, thanks to its quiet and efficient operation. The realistic flame effect creates a warm and cozy atmosphere in any room.

Its installation is simple due to its compact structure and stable base. The remote control allows you to adjust the operation from a distance, while the timer facilitates automatic shutdown scheduling for energy savings.

Specifications

High	78
Colour	Blue
EAN	8435684371665
Manufacturer	FABRILAMP
Material	ABS y policarbonato
Measures	78 x 25 x 25
# Elements	1
Weight (kg)	2.115
