Description

The air conditioner cover measuring 86 x 30 x 56 cm is designed to protect climate control units during transportation or storage in industrial and commercial environments. Its robust construction offers effective protection against dust, dirt, and mechanical damage, ensuring proper equipment operation.

Technical Specifications

- Dimensions: 86 x 30 x 56 cm

The ergonomic design facilitates handling and access to the unit without fully removing the cover, optimizing maintenance or installation time. Its durable material ensures a long service life under demanding conditions.

This cover is especially useful for protecting equipment during transport between job sites or warehouses, maintaining optimal condition until final installation.

Specifications

High	86
EAN	8054035008151
Long	86 x 30 x 56 cm
Measures	86 x 30 x 56
Depth	56
