Description

Professional 750 watt angle grinder with a 115 mm diameter disc, designed for cutting and polishing a wide range of materials. Its efficient motor ensures consistent performance in both industrial and domestic environments. This tool combines power and control to achieve precise finishes with minimal vibration.

Technical Specifications

- Power: 750 watts
- Disk Diameter: 115 mm

Its ergonomic construction facilitates prolonged handling, while its compact design allows for precise use in delicate work. It is suitable for applications in metals, wood, and other resistant materials.

The angle grinder is easy to install after connecting it to a standard power outlet. It is recommended for use in workshops or at home for routine repair and maintenance tasks.

Specifications

Diameter	115 mm
EAN	8054035005983
Manufacturer	YAMATO
Power (W)	750
