### Description

Professional 1200 watt angle grinder with 115 mm disc and variable speed control. Designed for industrial and professional applications, it delivers precise performance in cutting, sanding, and polishing various materials such as metal, stone, wood, and plastic.

#### Technical Specifications

- Power: 1200 W
- Disk Diameter: 115 mm
- Variable Speed

Its high-efficiency motor and robust construction ensure durability for frequent use. It facilitates demanding tasks with precise control, improving cut quality and final finish.

Recommended for use in professional workshops and home environments for maintenance, repair, and clean cutting of various materials. Its ergonomic design allows comfortable handling during prolonged operations.
