Description

Stainproof surface mount box with screw fixing system, designed to protect electronic equipment in demanding environments. Its robust construction guarantees resistance against humidity, dust and contaminants, making it suitable for industrial and commercial applications.

Technical specifications

- Dimensions: 150 x 110 x 70 mm
- Mounting type: Surface with screws

This box allows simple installation on flat surfaces, facilitating access and maintenance of internal components. Its modular design offers effective protection without compromising equipment functionality.

It is recommended for use in environments where secure storage of exposed electronic devices under adverse conditions is required. The box can be easily mounted using the included screws, ensuring a safe and stable installation.

Specifications

Width	11
EAN	8435450466007
Long	150 x 110 x 70 mm

Measures	15 x 11 x 7
Type of installation	Superficie con tornillos
