Description

Clear glass for Wolfpack welding screen filter cover, with dimensions 107x50 mm and height. Specifically designed for Wolfpack models 15040405 and 15040400, it provides comprehensive visual protection during industrial automatic welding processes. Manufactured with durable materials, it ensures optimal visibility and durability in demanding environments.

Technical Specifications

- Dimensions: 107 mm x 50 mm (Height)
- Compatibility: Wolfpack 15040405 - 15040400

Its design facilitates installation and maintenance, making it suitable for operators who require constant visual protection in work environments where precision is required. It helps maintain clear visibility during welding operations.

Installation is quick and simple without the need for special tools, allowing fast replacements when necessary. It improves process efficiency by ensuring continuous and reliable visual protection.

Specifications

EAN	8435450461132
Long	107 mm
Measures	10.7 x 5

Depth	50 mm
