Automatic Air Hose Winder 9 Meters

Brand: MAURER

Reference: AFT 17010239

Automatic winder for 9-meter air hose with automatic return system and adjustable stand. Designed to improve ergonomics in industrial systems, allowing efficient unrolling and rolling up. It features an internal diameter of 1/4" (6 mm) and is made of resistant PVC.

Description

Automatic winder for 9-meter air hose with automatic return system and adjustable stand. Designed to facilitate storage and handling in industrial systems, improving ergonomics and reducing the risk of damage during use. Its construction from resistant and flexible PVC ensures durability in demanding environments.

Technical Specifications

- Hose Length: 9 meters
- Material: Resistant and flexible PVC
- Internal Diameter: 1/4" (6 mm)

Facilitates transportation and storage, minimizing wear from dragging or torsion. Its design allows prolonged use in industrial environments thanks to its mechanical resistance.

It is recommended to install it near the compressor to optimize compressed air flow. Easy integration enables quick installation without structural modifications to existing systems.

Specifications

Diameter	1
Size of the mouth	6
EAN	8000071886611

Long	9 metros
Length	1.9 metros
Material	PVC resistente y flexible
