Description

Waterproof work pant designed for adverse weather conditions. Its construction in 100% waterproof material guarantees full protection against heavy rain, while its EN ISO 20471 class 2 certification ensures a high level of visual safety in demanding work environments.

Technical features

- Materials: 100% waterproof
- Certification: EN 343 - Class 4,1,X / EN ISO 20471 - Class 2

This pant offers comfort and mobility without compromising protection. It is especially useful for outdoor work where resistance to extreme weather conditions is required.

Its installation is simple, fitting easily without the need for additional tools. Recommended for professionals working in environments exposed to heavy rain and low visibility conditions.

Specifications

EAN	8435450478956
Range	Profesional
Material	100% impermeable
Size	S
