Description

Work pants designed for adverse weather conditions, with full protection thanks to their 100% impermeable fabric. Manufactured with resistant materials and certified according to European regulations EN 343 - Class 4,1,X and EN ISO 20471 - Class 2, guaranteeing high visibility in demanding work environments.

Technical Features

- Materials: 100% impermeable
- Certifications: EN 343 - Class 4,1,X / EN ISO 20471 - Class 2

Its design allows maximum mobility during outdoor work, keeping the user dry and visible. It is suitable for professionals who require protection against rain and high visibility in workplace environments.

It is recommended for use in environments where safety and resistance to extreme weather conditions are required. Its installation is simple, fitting easily to the body without the need for additional tools.
