Description

Work pant designed to maximize visibility in low-light environments, Manufactured with durable materials and compliant with international standards, it offers high safety during both day and night thanks to its reflective strips.

Technical features

- Standards met: EN ISO 20471:2013+A1:2016 and EN ISO 13688:2013/A1:2021
- Size S
- Includes reflective stripe for enhanced visibility

Its functional design allows wide mobility without compromising protection, making it suitable for construction workers, emergency services, transportation and other sectors where high visual safety is required. The construction ensures comfort and durability in demanding environments.

It is recommended to wash at 40 °C in a normal cycle, avoiding bleach to preserve the effectiveness of the reflective properties. Its resistance allows continuous daily use without loss of safety features.

Specifications

EAN	8435450479014
Range	Profesional
