Description

Work jacket designed to provide maximum visibility in low-light conditions. Manufactured with high-resistance softshell fabric, it offers protection against wind and rain, as well as a reflective strip that enhances safety during night work or in climatically adverse environments. It complies with international standards EN ISO 20471:2013+A1:2016 (Class 2) and EN ISO 13688:2013/A1:2021, guaranteeing its use in demanding safety applications.

Technical Features

- Materials: softshell fabric with reflective strip
- Certifications: EN ISO 20471:2013+A1:2016 (Class 2) and EN ISO 13688:2013/A1:2021
- Size: XL

This jacket is required. Its design allows optimal mobility without compromising safety in demanding work environments.

It is recommended to wash at 30 °C and avoid using bleach. The jacket is wear-resistant and easy to maintain, ensuring its durability under intensive and prolonged working conditions.

Specifications

EAN	8435450479106
