Description

Work gloves designed for use in industrial environments, with polyester fabric and nitrile coating that provides chemical resistance and cut protection. Their construction combines the durability of polyester with the elasticity and wear resistance of nitrile, ensuring comfort and performance in demanding tasks.

Technical Features

- Material: Polyester with nitrile coating
- Size: 9" (pair)

They are suitable for handling various materials, offering excellent grip and tactile sensitivity. Their design allows precise work in environments where protection against chemicals, sharp objects, or rough surfaces is required.

Recommended for use in manufacturing, transportation, and storage industries. They are easy to clean and reusable, contributing to long-term sustainability and profitability.

Specifications

EAN	8000071988810
Material	Poliéster con recubrimiento de nitrilo
Size	9" (par)
