Description

Work glove designed to offer advanced protection in demanding industrial environments. Combines the strength of polyester with a nitrile coating, providing an effective barrier against chemicals and minor cuts. Its construction allows for precise and comfortable handling during activities that require manual dexterity.

Technical Features

- Material: Polyester with nitrile coating
- Size: 10" (pair)

Its ergonomic design facilitates prolonged use without fatigue. They are suitable for tasks involving tool handling, wet surfaces, or contact with chemicals.

Recommended for industrial maintenance, material handling, and jobs requiring advanced manual protection. Its easy installation allows quick deployment in diverse work environments.

Specifications

EAN	8000071988827
Material	Poliéster con recubrimiento de nitrilo
Size	10" (par)
