Description

The White LED Wall Mount 3W 450Lm 3000K is a modern and functional solution for lighting spaces such as bedrooms, reading areas, or auxiliary lights. Its flexible design allows customized installation in any environment, combining aesthetics with technical performance. It uses high-efficiency LED technology with a warm color temperature (3000K), providing soft and comfortable illumination.

Technical specifications

- Power: 3 W
- Lumens: 450 lm
- Color temperature: 3000 K
- Material: White aluminum
- Connection: Standard electrical supply
- Switch: ON/OFF integrated into the base

Its modular structure makes it easy to use in both new projects and existing renovations. It is ideal for applications requiring focused and aesthetic lighting, such as next to a bed headboard or above a desk.

Installation is simple thanks to its standard connection and integrated design. It can be easily adjusted to vertical or horizontal positions according to the space needs, allowing versatile and efficient placement in any residential or commercial environment.

Specifications

Efficacy (lm/W)	150
Material	Aluminio blanco
Type of lamp	LED
