Description

The adjustable Nami green wall sconce 1xE27 combines a child-friendly design with practical functionality, featuring a green metal screen and wooden base. Its adjustment system allows you to direct the light up to 180 degrees, offering flexibility for adapting lighting to different uses. It is perfect for spaces that require both decorative appeal and directed illumination.

Technical Specifications

- Connection: E27
- Compatibility: 1 incandescent or LED bulb up to 60W
- Screen Material: Metal
- Base Material: Wood
- Protection Rating: IP20

Its versatile design makes it easy to integrate into children's rooms, bedrooms, or reading areas. The adjustable light enhances its usefulness in environments where focused and personalized lighting is needed.

Installation is simple and does not require special tools. It mounts directly to the wall using included screws, allowing for quick placement in any space with an available electrical outlet.
