Description

The Nami Wall Mount Gray 1xE27 is a bright solution with a Nordic design that combines a gray metallic screen with wooden elements, creating a modern and warm finish. Its structure allows the light orientation to be adjusted by 180°, facilitating control of the light beam according to the space's needs. Ideal for environments where functional lighting is sought without sacrificing style.

Technical Features

- Power: 1 x E27
- Color: Gray with wooden finish
- Screen Orientation: 180°

Its versatile design makes it suitable for use in bedrooms, living rooms or relaxation areas. The combination of materials adds durability and a natural touch to the environment, while maintaining a clean and contemporary aesthetic.

The installation is simple thanks to its standard wall mounting system. It can be easily placed on conventional surfaces without requiring structural modifications, facilitating its integration into any space.
