Description

The Nami Rose Wall Sconce 1xE27 Adjustable offers a functional and stylish solution for lighting in compact spaces. Its design combines a rose-toned metal mesh screen with a wooden base, creating a modern and warm appearance. The 180° adjustability allows the light direction to be tailored according to environmental needs.

Technical Specifications

- Power: 1 x E27
- Screen Material: Metal
- Color: Rose
- Base: Wood
- Light Orientation: 180°

It installs easily via standard E27 connection, compatible with LED bulbs. It is suitable for use in children's rooms and bedrooms where soft and directed lighting is required.

The ergonomic design facilitates wall mounting without the need for additional tools. Its sturdy construction and refined finishes make it ideal for high-traffic daily-use environments.

Specifications
