Description

Rechargeable wall LED mount designed for directional lighting and customizable in indoor spaces. Its LED technology provides 120 lumens with a color temperature of 4000 K, ideal for work areas or homes requiring adaptable auxiliary lighting.

Technical Specifications

- Power: 1.5 W
- Luminosity: 120 Lm
- Color Temperature: 4000 K
- Rechargeable battery with USB-C port
- Magnetic mounting system for flexible orientation

This product fits easily into small spaces without compromising light quality. Its minimalist design allows simple and fast installation, ideal for use in hallways, bedrooms, or work areas.

Operation is intuitive with a single touch on one of its sides, eliminating the need for cables or conventional switches. The magnetic system facilitates adjusting the fixture in any direction to tailor the light beam according to environmental needs.

Specifications

EAN	8435197474983
Lumens (lm)	>=100
Power (W)	1.5
