Description

The LED ceiling downlight Sofia is a fixture designed for installation in humid environments such as bathrooms and kitchens. It uses high-efficiency LED technology with a power of 10 watts and a luminous flux of 1020 lumens. The color temperature of 4000K provides neutral white lighting ideal for functional spaces.

Technical Specifications

- Power: 10 W
- Lumens: 1020 lm
- Color Temperature: 4000 K
- Beam Angle: 36°
- IP Rating: IP44
- Shape: Round

Its integrated design and neutral white finish allow for easy installation and compatibility with various decorative styles. It is ideal for environments requiring durable and efficient lighting, especially in humid areas.

Installation is simple thanks to its built-in mounting system, suitable for standard recessed ceiling installations. Recommended for high-humidity areas, ensuring safe and long-lasting operation.

Specifications

Opening angle	36
Efficacy (lm/W)	102
Protection	IP44
Shape	Redondo
