Description

The LED ceiling downlight Sofia is a luminaire designed for installation in humid environments such as bathrooms and kitchens. It uses high-efficiency LED technology with a power of 10 watts and a luminous flux of 1020 lumens. The color temperature of 6000K provides cool white lighting ideal for environments where clarity and visual precision are required.

Technical specifications

- Power: 10 W
- Lumens: 1020 lm
- Color temperature: 6000 K
- Beam angle: 36º
- Protection rating: IP44
- Shape: Round

Its integrated and fixed design allows for easy ceiling installation, offering durable and efficient performance. It is ideal for environments where constant and reliable lighting is needed.

It is recommended for use in high-humidity areas such as bathrooms and kitchens, thanks to its IP44 protection rating that ensures resistance to water and dust. Installation is straightforward and does not require special tools, making setup easy.

Specifications

Opening angle	36
Efficacy (lm/W)	102
Protection	IP44
Shape	Redondo
