Reference: CR DR077153-06-IP44

LED ceiling downlight Sofia IP44, 12W, 1200 lumens, 3000K. Designed for bathrooms and kitchens with high humidity. Beam angle 36°. Durable construction for humid environments.

[View product online](#)**Description**

The LED ceiling downlight Sofia is a fixture designed for installation in spaces exposed to humidity, such as bathrooms and kitchens. It uses high-efficiency LED technology with a power of 12 watts and a luminous flux of 1200 lumens. The color temperature is 3000K, providing warm and soft light. Its construction from durable material ensures longevity and safety in humid environments.

Technical Specifications

- Power: 12 W
- Luminosity: 1200 lm
- Color Temperature: 3000 K
- Beam Angle: 36°
- IP Rating: IP44
- Shape: Round
- Mounting: Fixed Surface Mount

Its discreet design allows easy integration into any modern decor. It is suitable for lighting small and medium-sized spaces where uniform, high-quality light is required.

Installation is simple thanks to its standard mounting system, suitable for conventional ceilings. It is recommended to follow the manufacturer's instructions during installation to ensure proper operation and product safety.

Specifications

Opening angle	36
Protection	IP44
Type of installation	Empotrable fijo
Shape	Round
