Description

Adjustable ceiling spotlight Sahara beige white with GU10 emitter of 6W, designed for directional lighting in residential and commercial spaces. Its LED technology offers energy efficiency and long lifespan, while its minimalist design adapts to modern decor.

Technical Specifications

- Light output: 1 x GU10
- Light type: LED
- Light color: Beige White
- Protection rating: IP20

Its adjustable system allows you to adjust the lighting angle according to the needs of the space, enabling focused and controlled illumination. It is suitable for areas where focused and controlled lighting is required.

Installation is simple thanks to the standard GU10 connection, allowing easy replacement in any compatible fixture. Recommended for indoor environments where an aesthetic and functional finish is desired.
