Description

Slim White Sandstone Ceiling Mount with four adjustable G9 bulbs, designed for directional lighting in interior spaces. Its tubular aluminum structure allows individual adjustment of each light, providing precise control over the illumination. Each bulb is compatible with LED G9 bulbs (not included), ensuring energy efficiency and durability.

Technical Specifications

- Base: 250 x 250 mm
- Bulbs: 4 tubular G9
- Finish: White sandstone
- Materials: Aluminum

Its minimalist design adapts to modern environments, making it especially useful in offices, living rooms and bedrooms where customized lighting is required. The flexibility of adjustment allows optimizing light according to the space's needs.

Installation is simple thanks to the standard mounting system. LED G9 bulbs are recommended for maximum performance and product longevity.
